There are many different mods for Minecraft and sometimes they can conflict with each other. For example, some mods may override the resource packs that you have selected in your game settings menu. Modpacks are generally okay because the creation of them is based on sharing resources between multiple mods, but sometimes this can cause problems. If your modpack stops working or causing errors, it is a good idea to change the settings of the modpack to see if it lets them work again.",

minecraft hack mod

While in general it is unfair and unwanted by most of the server community, these actions are allowed in moderation if it done for fun or is done in moderation. Ie: glitching via mods to get through a maze or etc. The aforementioned forms of cheating are not accepted under any circumstance unless properly documented, if the cheat is known and can be done by most people then it's deemed not acceptable unless given permission by admins. So be careful what you do, so that if caught you don't get banned from the server or even Mojang servers.",
